

Adding Value to Your Successful Business

Service and innovation for our customer is #1 and we've created fast and simple solutions for our business owners to acquire equipment.

- John Boettigheimer (President)

FLEXIBLE PROGRAMS

You choose the term length that best fits your monthly budget. We have 2, 3, 4 & 5 year terms available with early pay-off discounts for any selected term length.

100% FINANCING

Our 100% financing program allows you to include shipping, tax, installation and other soft costs. This makes growing your business even easier.

DIRECT LENDER

Because we are a direct lender, the documentation process is streamlined. Once documents are signed, Centra Funding can have your equipment supplier funded within 4 hours.

KEVIN ANDERSON

VICE PRESIDENT OF SALES

Our Vision

Centra Funding is committed to providing small businesses the opportunity to acquire equipment with a fast and simple finance solution. With over 40 years of industry experience, Centra finances businesses in almost every industry sector and is a true funding company which uses its own funds for every transaction. This allows us to streamline the funding process, making it fast and simple for your business.
